PARTICIPATION ON SFL COMMITTEES

If any members are interested in participating on an SFL Committee, the approval of SUN is required before those members names are submitted to the SFL (as per Board Policy 008-B-2007).

The SUN Board of Directors will review the members names submitted. Following the approval process, the SFL will be notified by SUN of which members have approval from SUN to participate on SFL Committees. Those members will also receive notification from SUN.

There will NOT be an opportunity for member approval by SUN at, or during, the SFL Convention. Application to SUN for approval must be made by the deadline noted above.

*Participation on an SFL Committee is completely optional.
Members are under no obligation to submit their name for a committee.*
