PURPOSE To provide direction for SUN members invited to participate on interview panels for the employer.

SCOPE Members

POLICY STATEMENT SUN recognizes the need to define an appropriate role for members on interview panels for the employer.

PROCEDURE SUN members may participate in the interview practice in a consultative role, rather than an evaluation role, to ensure that there is no conflict with respect to performing out-of-scope work.

Should the Employer present requests that conflict with this policy, the member must withdraw from the interview panel.
