

# LIVING, LEARNING & GROWING PROFESSIONAL PRACTICE

Revised: March 2026

## REGULATORY REQUIREMENTS

All registered nurses and Nurse Practitioners in Saskatchewan are required to meet minimum professional regulatory requirements and participate in the respective continuing competence program.

### College of Registered Nurses of Saskatchewan

- [Nursing Practice Expectations](#)
- [Nursing Practice Resources](#)
- [Continuing Competence Program](#)
- [Nursing Practice Consultation](#)

### College of Registered Psychiatric Nurses of Saskatchewan

- [Member Resources](#)
- [Regulatory Requirements](#)
- [Practice Resources](#)
- [Career-long Learning Program](#)

### Canadian Nurses Protective Society

- [Publications](#)
- [Webinars](#)

Continuing nursing education, professional development, and growing your professional practice from novice to expert through formal and informal learning opportunities enables you to meet these requirements as you practice in a healthcare system that is constantly evolving.

The following is a launching point for resources and organizations to assist you on your lifelong learning journey.
